## **Tuition and Fees Refunds**

Tuition is non-refundable after contract dates begin. Contract begins for new students 30 days after the student's first day of school. Contract begins for re-enrolled students on the first day of school. For families withdrawing students on or after the first day of school, a claim for the remaining tuition balance will be submitted to the tuition insurance. Families are responsible for payment of the final remaining balance after the tuition insurance payment has been applied.

\*Application and Student Fees are non-refundable.

## **Tuition Insurance**

Participation in the tuition insurance program is mandatory. (If a family pre-pays tuition in the full amount, a parent/guardian can sign a waiver to opt out of tuition insurance. But tuition is still non-refundable.) The cost of this insurance is 3.5% of tuition and is due and payable on or before the first day of school.

## **Your Investment**

Investing in your child's school education will pay dividends far beyond the 8<sup>th</sup> grade. In partnership with you, we foster life-long learners who grow intellectually, spiritually, emotionally and socially. This is evident with marked success of our students in High School, College, and in each of their lives. They grow in the Grace and Knowledge of their Lord and Savior.

Grace Lutheran School does not arrange for housing; therefore it is the responsibility of the family to find a home to care for the student. Grace also will help determine the grade the student should enter based on English ability. Students may be asked to get additional tutoring, outside of school, in order to develop English skills.
